

# Digi Teachers Working Online Toolkit

## Internflow – app for mobility

**WHAT:** An app that has information about Germany, Marburg and a person's studies

**WHY:** An application saves time during mobility because you can reach all the information through app.

**WHO:** Mobility participants

**WHAT:** The app contains a lot of information at the same place. It is also possible to contact your mentor through the app.

**WHICH:** You need a mobile phone. It is possible to download the app in an app store.

**HOW:** Check on the video how the app is used in Arbeit und Bildung.

**#mobility**
