

Digi Teachers Working Online Toolkit

Padlet

WHAT: Padlet is a versatile tool with which it is possible to create timetables, portfolios, art galleries, discussions, timelines etc.

WHY: To offer a tool that is visually interesting and easy-to-use both to students and teachers.

WHO: All kind of students who have basic digital skills.

WHAT: Watch the video (QR code) and learn several different ways to use Padlet.

WHICH: Teacher builds the padlets with a computer, but they can be read with mobile devices.

HOW: Start by rehearsing the use of Padlet at school. Learn to add text, voice, pictures and so on. Learn more: [Padlet.com](https://padlet.com).
