

# Digi Teachers Working Online Toolkit

## Whatsapp as a tool for reporting

**WHAT:** Daily check how the training session has been going on.

**WHY:** Teacher can see what the student has been doing.

**WHO:** Suitable for all the students with a mobile device that has Whatsapp.

**WHAT:** Students are reporting about their training every day by Whatsapp. This is an easy way to communicate and a possibility for teacher to ask questions.

**WHICH:** Both student and teacher needs a mobile device

**HOW:** Whatsapp is widely used and free to use.
