## Kahoot

**WHAT:** Kahoot games as a way to bring students together

**WHY:** To gather the students together, foster team spirit, help to get to know the other students, have fun together.

**WHO:** Students of vocational qualification in business, 10–20 students come to Chill Friday meeting every week.

**WHAT:** Even quiet students can participate; fun gaming together eases the atmosphere.

**WHICH:** Teacher needs a computer and a Kahoot account, the game is projected to a screen, the students play with their mobile devices.

**HOW:** Try for free in [kahoot.com](https://kahoot.com). You can create your own kahoots or search for kahoots other people have made.
