

Digi Teachers Working Online Toolkit

Seppo.io

WHAT: Seppo.io / Amazing Race – Orientation of New Students

WHY: To get to know the school, to get to know the classmates and create team spirit, to learn to use your own telephone when studying.

WHO: New students, suitable for all ages and also for students with special needs.

WHAT: Students learn their way in school premises, facilitates making friends, gives sense of autonomy.

WHICH: Every group needs to have at least one mobile device with an internet connection, and the teacher needs a computer.

HOW: Go to www.seppo.io and try for free! You can create your own games or use the games other people have made.
