## Train for International Trail - Seppo.io

**WHAT:** Seppo.io / Train for International Trail

**WHY:** Students can learn about their exchange country before their exchange period.

**WHO:** Students who are going to have an exchange abroad, suitable for all ages and also for students with special needs.

**WHAT:** Students learn about the culture and the language of their exchange country.

It is also possible to train traveling with the tasks in the game. At the moment there are questions about five different EU countries.

**WHICH:** Every student or a group of students needs to have at least one mobile device with an internet connection, and the teacher needs a computer.

**HOW:** Go to [www.seppo.io](http://www.seppo.io) and try for free! You can create your own games or use the games other people have made.
