

Digi Teachers Working Online Toolkit

Wordwall

WHAT: Games that help to learn Finnish

WHY: To learn new words or other language-related topics, to repeat and rehearse, to get to know a new topic, to rehearse basic digital skills (clicking, dragging, opening a link etc.).

WHO: Suitable for SNE students in study skill studies and Finnish language studies, ages 16 and over. Can be used individually or in a group.

WHAT: A very good tool when working with students who study Finnish as a second language! For teachers easy and fast to produce new exercises, for student very easy to use.

WHICH: Teacher needs a computer and Wordwall license, student needs a computer or a mobile device.

HOW: Free trial: [wordwall.net](https://www.wordwall.net)
